Work Experience

Web Developer

Self-taught/Freelancing

November 2021 to Present (1 year)

- Created several projects using Javascript, HTML, CSS, React.
- Single-handedly developed a Social Media app clone (Facebook) using MERN stack (MongoDb, Express, React, and NodeJs).
- Built a blog page that showcases skills with a unique design that can play music and animate the background (using Motion Framer).

Founder and CEO

DRAGONWAY - Vilnius

June 2020 to Present (2 year, 5 months)

- Started a company that manufactures computer cases that are suitable for high performance.
- Managed everything from top to bottom, including customer service and maintaining customer satisfaction.
- Built gaming computers for gaming professionals at the highest level.
- Acquired extra skills such as video production, graphic design, branding, accounting and advertising.

DRAGONWAY now is one of the top selling computer cases brand in Lithuania, Latvia and Estonia
